

Chess Club!

Dear Parents,

Chess is a game that improves logical thinking, academic skills, and is fun too! Chess Club is open to students in grades 1st – 5th. If your child would like to join Chess Club, please fill out the permission below and return to school as soon as possible. Meeting dates, times, and location are listed below. Keep the top portion of this flyer for reference because there are Tuesday afternoons when Chess Club won't be meeting due to conference weeks, meetings I must attend, and the CMAS testing window. Please call or email me if you have any questions.
