

Important School News

Please remember to set your clocks **ahead one hour** this weekend, Sunday, March 11th as Daylight Savings Time starts!!

TEACHER OF THE YEAR

We are happy to announce our Teacher of the Year is Rachel Wormer. She has been at Meadow Point 5 1/2 years. She services both the elementary and preschool in Speech and Language. We are so lucky to have her helping our students. She is a wonderful addition to our Special Ed team and community.

Student Drop Off Lane: Parents using this area must drop their child off along the curb. This area is a single lane wide so that parents can stop along the curb and then pull forward when exiting. Students should only exit the car on the passenger side. Parents using this area should always drive as far forward in the lane as possible before stopping. When picking students up in this area, parents SHOULD NOT double park NOR leave the car unattended. Students should, again, only enter the car on the passenger side from the curb. There is to be NO PARKING in the drop off lane as it is an emergency vehicle access lane.

Some other things I have noticed that can help increase safety include:

Remain patient and courteous;

Use your turn signal;

Stay off of any devices;

Pull all the way forward;

Drop off no earlier than 7:50;

And remain patient and courteous (yes, it's worth saying twice).

Thank you for looking out for everyone!

Tom McDowell, Principal

Meadow Point has Spiritwear to sell. There is a gray hoodie that is selling for \$20 and a black t-shirt that is \$10. If you would like to see what they look like there are samples in the front lobby. We will be putting in an order for them on Friday, October 13th.

Students will not be supervised before school until the bell rings at 7:50 (unless they are in breakfast starting at 7:30). The ten minute window between 7:50 and 8:00 should be enough time for everyone to safely get through the drop-off line and still be on time. If you require earlier supervision, please contact Kids Klub.
